	AVID	LAV 101			
	Foreign Lang.	Span. I** / FLS 101C			
		Germ. I** / FLG 101C			

*** These are with HS students, but no HS credit. **These are high school courses with high school students for high school credit.**
Middle School students taking high school courses will be expected to meet the rigors of a high school course. Student testing and other performance information is available from the counselor to assist in this decision.
AVID students will take Math 8 or Algebra I as well as a Foreign Language. They will also have the option between PE, Band, Chorus and Computer Applications.
All students automatically will be screened for Gifted Education, ESL (English as a Second Language), and AVID (Advancement Via Individual Determination)- all of which have specific entrance guidelines. Since AVID has a wider range for selection however, it is included as an elective choice on the reverse side of this form. If you believe Gifted, ESL, or ALG I may be appropriate for you, indicate with an "X" below:

_____Gifted _____ESL
