* These are with HS students but not for high school credit.
 ** These are high school courses with high school students for high school credit. Students should be fully prepared for Algebra I or Geometry, and for Geometry, have taken Alg I. Student testing and other performance information is available from the counselor to assist in this decision. Middle School students taking high school courses will be expected to meet the rigors of a high school course.
 ***Must audition or be recommended by music teacher.
 All students automatically will be screened for Gifted Education, ESL (English as a Second Language), and AVID (Advancement Via Individual Determination)- all of which have specific entrance guidelines. Since AVID has a wider range for selection however, it is included as an elective choice on the reverse side of this form. If you believe Gifted or ESL may be appropriate for you, indicate with an "X" below:
