November 2009

Dear Parents,

The end of the first quarter has arrived, and we are scheduled to have Parent Teacher conference days on 12 and 13 November. The middle school teachers are scheduling parent conferences by appointment only. High School teachers are on a walk-in basis. Again parents can get a preview on dependents' grade by viewing GradeSpeed. November has several activities scheduled for teachers, parents, and students, so please look at our calendar in this issue. A teacher-training day has been scheduled for 25 November. Students will be released at 1114 hrs and no lunch will be served that day.

If you are going to PCS before the end of the first semester please stop by the school and see our school counselors as soon as possible. The first day a student can accelerate is 17 December 2009. Students who leave before that time will receive withdrawal grades and must enroll in their new school as soon as possible. Students who are going to the states for a holiday are not allowed to accelerate and will need to make up their work before the end of the first semester.

Congratulations to all of our student athletes who participated during the Fall Sports season. I would also like to thank all of our volunteer coaches who gave us their free time to support our athletic programs. The season ended last week and we have a down week (no sporting activities) from 9 – 13 November 2009. There will not be any activity busses during this week. The Winter Schedule has not been finalized but will be in our Daily Bulletin as soon as we have confirmed all of our competitions.

We ask all of our parents to call the main office if you are not receiving our Daily Bulletin or if you have moved to another job or started working in a new area. Should an emergency occur, it's important that we maintain a current index of where you work and your emergency contact information. Please advise the school if we do not have your most current and correct information. If you have any questions or concerns about our programs, please call the school at DSN 466-3162 or civ. 09472-909608.

Daniel J. Mendoza
